

The Autumn 2016 Course Evaluation

This document shows the distribution of comments on 'ITU in general' in the course evaluation for autumn 2016

Thank you to all of you students who took the time to answer the course evaluation. It is very helpful and gives us specific guidelines on how to make the IT University of Copenhagen an even better university.

Student Affairs and Programmes has analysed your comments on things you either appreciate or think needs improving and categorised them in overall themes. The table below shows the distribution of comments that you have labelled as either good or bad about ITU by category. 756 comments on things that could be improved (BAD) and 1197 comments on good things (GOOD). In total 1993 comments

Overall result			
Count of text	Column Labels		
Row Labels	BAD	GOOD	Grand Total
academic level	0,46%	2,05%	2,51%
censured	0,05%	0,00%	0,05%
